SUBJECT: Unjust Allocation of New 1300CC Toyota Corolla Cars

Dear Athar Sb

Let me begin by telling you that I bring this to you with an extremely heavy heart. The events that have transpired for the allocation of the 1300CC Toyota Corolla are extremely troubling.

2. It is deeply concerning that in spite of the continuous verbal recognition and praise, cumulatively as the Directorate of Finance & Accounts and individually as Director (Finance & Accounts), received including from the office of the Managing Director, SMTA – the Directorate of F&A/Director (F&A) has been specifically chosen as the only Directorate/Director to not have been allocated the new car.

3. The said decision has not only resulted in the non-allocation of the car, but is also allowing miscreants an opportunity to create a misperception within the SMTA that the Directorate of F&A/Director (F&A) is ineffective and inefficient – which has the potential to propagate to the whole of the Government of Sindh and the external stakeholders the SMTA interacts with. I am sure, you are cognizant that dissemination of such misperception not only further erodes the effectiveness but also undermines one's authority to undertake tasks and makes their eventual future within the organization untenable.

4. In this light, I am compelled to hope that the letter No. DIR(ADMIN)/SMTA/LT/2018/790 dated 03-08-2018 wherein the F&A Team was incorrectly blamed for the shortcomings of the Admin Team, did not create an incorrect bias against myself and precipitated in the aforementioned decision. As the F&A Team had issued a rebuttal via letter No. DIR(F&A)/SMTA/TMTD/2018/794 dated 07-08-2018 via clarifying why the tasks were outstanding and clearly delineating the responsibilities of the tasks (both letters are attached herewith for ready reference). It is further informed that the tasks pertaining to Directorate of F&A, as mentioned by the Directorate of Admin – stand completed. Whereas, most of the tasks pertaining to the Admin Team, alluded to in the letter dated 07-08-2018, stand outstanding.

5. However, the Directorate of F&A is also aware that you have had an exemplary government service record and have accumulated infinite wisdom over the course of your professional career. As such, it is hoped that the decision to award 1300CC Toyota Corolla to all the Directors of the SMTA except the Directorate of F&A/Director (F&A), is probably based on some meritocratic criteria, under which the Directorate of F&A/Director (F&A) may have been adjudicated to have ranked fourth out of four full time working Directors at the SMTA and not resultant of any prejudice including the aforementioned. As such, it becomes extremely important that the criteria on which the Directorates/Directors have been adjudged be disclosed so that each Directorate/Director is cognizant of its strengths, weakness and the areas which require improvement.

6. In conclusion, it is hoped that the adjudicating criteria is disclosed at the earliest, the public disclosure of the criteria would provide assurance that an impartial decision was taken and render efforts of any miscreants to breed and propagate a misperception futile.
